

Dear Store Manager or Buyer,

As a regular customer of your store, I would like to ask you to consider carrying Chappaqua Crunch Granolas. They are exceptionally delicious and among the healthiest granolas I have ever seen.

In addition, all varieties are both wheat and peanut free. For more information about the products, visit www.chappaquacrunchgranola.com.

Please call Wild Blue Yonder Foods (the bakers of Chappaqua Crunch) at 800-488-4602 for distributor information.

Thank you,
